Transfer of the titles of Triena Investment Public Company Ltd from the Surveillance Market to the Alternative Market with an (Σ) marking (Regulated Market)

ANNOUNCEMENT

The Cyprus Stock Exchange announces the transfer of the titles of **Triena Investment Public Company Ltd** from the Surveillance Market to the Alternative Market of the Stock Exchange as the reason for the transfer of the titles of this company no longer applies following the issuance and publication of its Annual Financial Report for the year ended 31/12/2019. This decision was reached pursuant to Paragraph 2.2.5 of RAA 379/2014 (as amended).

Moreover, it is noted that the titles of **Triena Investment Public Company Ltd** will continue to trade on the Alternative Market of the Stock Exchange with the (Σ) marking on the trading boards and price bulletins, due to the content of the Independent Auditor's Report (31/12/2019) in which there is an "Emphasis of Matter" pursuant to the provisions of Paragraph 2.2.6(b) of RAA 379/2014 (as amended).

It is clarified that the Council will remove the (Σ) marking from the trading boards and price bulletins when it establishes that the reasons that led to the appearance of the marking on its titles no longer exist.

The titles of **Triena Investment Public Company Ltd will trade on the Alternative Market as of Thursday, 3/9/2020.**
