Covid-19 – Financial impact/risks and uncertainties

ANNOUNCEMENT

The Board of Directors of TRIENA INVESTMENT PUBLIC COMPANY LIMITED ("the Company") would like to inform investors that, after assessing the data to date, there is no significant negative impact on the Company's operations from the outbreak of COVID-19. Based on the Company's estimates for the near future, it is not expected to have any significant change therein. Any extended and further spread of the pandemic, which will affect the world's economy will inevitably have an impact in the medium and long term on the Company's operations, which cannot be predicted at this stage.

The Company will monitor the developments and keep investors informed of any change in the above.
