TOP KINISIS - PROFIT/(LOSS) WARNING

TOP KINISIS TRAVEL PUBLIC LTD pursuant to the CSE and CSEC Regulations for providing adequate information to shareholders and investors announces that the financial results for the year 2016 are expected to show losses and not profits as originally announced on December 28, 2016.

The differentiation in the result is mainly attributed to the final results of the subsidiary Top Kinisis Hellas that were lower than expected, as well as to increased provisions for doubtful debtors and reduced provisions on incentive commissions.
