Interim report of the Board of Directors

The Board of Directors presents its report and unaudited interim condensed consolidated financial statements of NETinfo Plc and its subsidiaries (the Group) for the period from 1 January 2016 to 30 June 2016.

Principal activity

The principal activity of the Group which is unchanged from last year, is the design of banking and mobile banking software programs and web applications.

Review of financial performance and position

The Group's results for the period are set out on pages 5 and 6. The Group's financial results as presented in the consolidated financial statements are considered satisfactory.

The Group's financial position as presented in the consolidated financial statements is considered satisfactory.

Future developments and significant risks

The Board of Directors of the Group does not anticipate any significant changes or developments in relation to the activities of the Group in the foreseeable future.

The most significant risks faced by the Group and the steps taken to manage these risks, have not changed significantly during the interim period and remain as described in the latest annual consolidated financial statements.

Dividends

The Board of Directors does not recommend the payment of a dividend and the net profit for the period is retained.

Research and development activities

The Company continuously invests in developing and upgrading its IP Codes. This has been achieved by investing in an in-house R&D department of more than 25 people who continuously develop its existing products according to business requirements.

Share capital

Notes to the interim condensed consolidated financial statements

Period from 1 January 2016 to 30 June 2016

1. Unaudited financial statements

These interim condensed consolidated financial statements for the period from 1 January 2016 to 30 June 2016 have not been audited by the external auditors of the Company.

2. Incorporation and principal activities

NETinfo Plc (the "Company") was incorporated in Cyprus on 03 April 2000 as a private company with limited liability under the Companies Law, Cap. 113. Its registered office is at 23 Aglantzias, Netinfo Building, 2108, Nicosia, Cyprus.

The principal activity of the Group which is unchanged from last year, is the design of banking and mobile banking software programs and web applications.

3. Accounting policies

These interim condensed financial statements, which are presented in Euro, have been prepared in accordance with the International Accounting Standard 34 "Interim Financial Reporting" as adopted by the European Union (EU). The interim condensed financial statements do not include all the information and disclosures that are required for the annual financial statements and must be read in conjunction with the annual financial statements for the year ended 31 December 2015.

The Group has adopted all applicable new and revised International Financial Reporting Standards (IFRS) and the Amendments to IFRS as issued by the International Accounting Standards Board and adopted by the EU, as well as the Interpretations as issued by the International Financial Reporting Interpretations Committee and adopted by the EU, that relate to the Group's operations.

The accounting policies and methods used in the preparation of the interim condensed financial statements are in accordance with those used in the annual financial statements for the year ended 31 December 2015.

3.1 Accounting estimates and judgement

The preparation of financial statements requires the use of certain critical accounting estimates and requires management to exercise its judgement in the process of applying the Group's accounting policies. It also requires the use of assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of current events and actions, actual results may ultimately differ from those estimates.

Costs that are incurred during the financial year are anticipated or deferred for interim reporting purposes if, and only if, it is also appropriate to anticipate or defer that type of cost at the end of the financial year.

Corporation tax is calculated based on the expected tax rates for the whole financial year.

Weighted average number of ordinary shares in issue during the year	11.721.670	11.721.670
Basic earnings per share (cent)	1,89	3,66

Basic earnings per share is calculated by dividing the profit for the year attributable to the ordinary shareholders of the parent company by the weighted average number of ordinary shares in issue during the year.

Diluted earnings per share

No potentially dilutive shares existed during the current and previous year and therefore for both years the diluted earnings per share equal the basic earnings per share.

19. Contingent liabilities

The Company is engaged into a litigation since 2009, where the plaintiff (a third party) is asking the defendent (the Company) for a compensation amounting €146.312, plus interest of 8%, plus disbursments and VAT in relation to a liability arising from the purchase of a property by the Company in 2000. The Company claims that this liability was settled via the issue of shares of the Company to the plaintiff, whereas the plaintiff claims that it has signed the contract under duress. The Directors of the Company have assessed that payment of the above mentioned amount is not probable and therefore a provision is not required.

20. Commitments

The Group had no capital or other commitments as at 30 June 2016.

21. Events after the end of the reporting period

There were no material events after the reporting date, which have a bearing on the understanding of these interim condensed financial statements.
