Elaine Securities Plc
October 16

Elaine Securities are pleased to announce that they are part of a syndication of lenders who has recently completed a US\$3 million loan to corporate entity for the purpose of purchasing a Challenger private jet. A lease on the jet has already been agreed and the loan is for an 11-month term.

The company currently has approximately £1m in cash to fund or participate in further investments.

We will update you again at the end of October 2016.

Yours sincerely,

Elaine Securities Plc
