ANNOUNCEMENT

Vision International People Group Public Limited announces that during the meeting of the members of its Board of Directors which was convened on the 27th of June, 2013 at 10.00am at the registered office of the Company, the cease of operations of Group companies in Egypt and liquidation thereof was resolved.

This consists part of the continuing restructuring of the Group. The distributors shall be served directly via the Global Ordering System and Europe's web-shop (created also in Arabic language) through which they can place their orders and receive their products respectively. Arabic translations shall also be put in place on company's website in order to generally support the distributors with distribution of marketing material and other information. The liquidation procedure is expected to commence shortly.

The Board of Directors has also approved the commencement of operations of Vision Group in Thailand within the year 2013.
