ANNOUNCEMENT

Suspension of trading of the titles of companies listed on the Emerging Companies Market due to non-submission and non-publication of their Annual Financial Report for the year ended 31 December 2021

Further to a previous announcement dated 5 May 2022, the Cyprus Stock Exchange announces the suspension of trading of the titles of the following companies (listed on the Emerging Companies Market) pursuant to Article 183 of the Securities and Cyprus Stock Exchange Laws due to non-submission and non-publication of their Annual Financial Report for the year ended 31/12/2021. These companies are as follows:

- G.A.P. Vassilipoulos Public Ltd
- ECHMI S.A. Investment Consultants

The suspension of trading will come to effect as of **Tuesday, 9 August 2022**.

This decision was reached in the context of implementation of the Policy Decision of the CSE's Council according to which if a listed company does not comply within 3 months from the appearance of the (Σ) marking on the trading boards and price bulletins (Emerging Companies Market) as a result of its non-submission and non-publication of its financial results, the Stock Exchange will then proceed with suspending the company's titles (CSE Circular 01-2018, 02-2018 dated 23/1/2018).

It is noted that the suspension of trading will have a duration of 2 months (i.e. until 10 October 2022) or earlier, if the companies comply with the above pending financial information.
