SDSD Complete the sale of S Supporter

Dear Sirs,

please find attached announcement related to the sale of S. Supporter

Attachment:

1. **Supporter closing**

Non Regulated

Publication Date: 10/12/2019

S.D Standard Drilling Plc. (the “Company”) has today completed the sale of Standard Supporter

Limassol, 10 December 2019

Reference is made to the stock exchange release as of 19 November 2019, where the Company published that it had entered into a Memorandum of Agreement to sell one (1) large Norwegian built Platform Supply Vessel, Standard Supporter for USD 15 million.

The transaction was completed today on 10 December 2019. S.D Standard Drilling Plc. has, through its subsidiary, Standard Supporter AS, received the transaction amount in full.

Following the sale, the Company will control, directly and indirectly, a fleet of 13 PSVs; four (4) large PSVs 100% owned and nine (9) medium-sized PSVs with approximately 26% ownership interest, including one vessel on a bare boat contract.
