G.D. AMPLUS PUBLIC COMPANY LTD

MANAGEMENT REPORT

The Board of Directors presents its report and audited financial statements of the Company for the year ended 31 December 2022.

Incorporation

The Company G.D. AMPLUS PUBLIC COMPANY LTD was incorporated in Cyprus on 29 December 2016 as a private limited liability company under the provisions of the Cyprus Companies Law, Cap. 113.

On 17 February 2017 the Company submitted an application to the Cyprus Stock Exchange (CSE) for the listing of its securities in the Emerging Companies Market (E.C.M.).

On 19 January 2018 the Council of the Cyprus Stock Exchange accepted the application of the Company for listing in the Emerging Companies Market of the CSE 26,000 securities of nominal value €1 each, with a listing price of €1 each. The trading of the above securities commenced on Friday, 19 January 2018. The Cyprus Stock Exchange has undertaken to keep the register of the above company in the CSE Central Depository/Registry.

Principal activities and nature of operations of the Company

The Company is involved in trading and investing activities in the information technology industry, having as a target the performance of technical infrastructure projects and the computerization of businesses and organizations.

Review of current position, future developments and performance of the Company's business

The Company's development to date, financial results and position as presented in the financial statements are not considered satisfactory and the Board of Directors is making an effort to reduce the Company's losses.

Results

The Company's results for the year are set out on page 9. The net loss for the year is carried forward.

Dividends

The Company did not have any distributable profits as at 31 December 2022, thus the Board of Directors cannot recommend the payment of a dividend.

Research and development activities

The Company did not carry out any research and development activities during the year.

Share capital

There were no changes in the share capital of the Company during the year under review.

Treasury shares

The Company did not make any acquisitions of its own shares either itself directly or through a person acting in his own name or on the Company's behalf.

Implementation and compliance to the Code of Corporate Governance

The Company recognises the importance of implementing sound corporate governance policies, practices and procedures. As a company listed on the Cyprus Stock Exchange (CSE), G.D. AMPLUS PUBLIC COMPANY LTD has adopted CSE's Corporate Governance Code and applies its principles.

In March 2006 the CSE issued a revised Code of Corporate Governance. The Company complies with all the provisions of the revised Code

Board of Directors

The members of the Company's Board of Directors as at 31 December 2022 and at the date of this report are presented on page 1. Mr. Ioannis Aravantinos and Mr. Andreas Bekios were appointed directors on 17 February 2020 and on the same date Fine Life Services Ltd and Smell of Rain Ltd resigned from their position. On 4 January 2021 Mr. Andreas Bekios resigned from his position of director.

In accordance with the Company's Articles of Association all Directors presently members of the Board continue in office.

There were no significant changes in the assignment of responsibilities and remuneration of the Board of Directors.

G.D. AMPLUS PUBLIC COMPANY LTD

MANAGEMENT REPORT

Events after the reporting period

There were no material events after the reporting period, which have a bearing on the understanding of the financial statements.

Independent Auditor

The Independent Auditor, Costas Miaoulis FCCA, has expressed his willingness to continue in office and a resolution giving authority to the Board of Directors to fix his remuneration will be proposed at the Annual General Meeting.

By order of the Board of Directors,

A.I.L. Nominee Services Ltd
Secretary

Nicosia, 20 March 2023

G.D. AMPLUS PUBLIC COMPANY LTD

DECLARATION OF THE MEMBERS OF THE BOARD OF DIRECTORS AND THE COMPANY OFFICIALS RESPONSIBLE FOR THE PREPARATION OF THE FINANCIAL STATEMENTS

In accordance with Article 9 sections (3c) and (7) of the Transparency Requirements (Traded Securities in Regulated Markets) Law 2007 (N 190 (I)/2007) ("the Law") we, the members of the Board of Directors and the Company official responsible for the financial statements of G.D. AMPLUS PUBLIC COMPANY LTD (the "Company") for the year ended 31 December 2022, on the basis of our knowledge, declare that:

(a) The annual financial statements of the Company which are presented on pages 9 to 18:

(i) have been prepared in accordance with the applicable International Financial Reporting Standards as adopted by the European Union and the provisions of Article 9, section (4) of the law, and

(ii) provide a true and fair view of the particulars of assets and liabilities, the financial position and profit or loss of the Company and the entities included in the financial statements as a whole and

b) The management report provides a fair view of the developments and the performance as well as the financial position of the Company as a whole, together with a description of the main risks and uncertainties which they face.

Members of the Board of Directors:

Nicosia, 20 March 2023

Independent Auditor's Report

To the Members of G.D. AMPLUS PUBLIC COMPANY LTD

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of G.D. AMPLUS PUBLIC COMPANY LTD (the "Company"), which are presented in pages 9 to 18 and comprise the statement of financial position as at 31 December 2022, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union and the requirements of the Cyprus Companies Law, Cap. 113.

Basis for Opinion

I conducted my audit in accordance with International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of my report. I remained independent of the Company throughout the period of my appointment in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code) together with the ethical requirements that are relevant to my audit of the financial statements in Cyprus, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key audit matters incorporating the most significant risks of material misstatements, including assessed risk of material misstatements due to fraud

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Reporting on other information

The Board of Directors is responsible for the other information. The other information comprises the information included in the Management Report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Independent Auditor's Report (continued)

To the Members of G.D. AMPLUS PUBLIC COMPANY LTD

Responsibilities of the Board of Directors and those charged with governance for the Financial Statements

The Board of Directors is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of the Cyprus Companies Law, Cap. 113, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

I communicate with the those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, actions taken to eliminate threats or safeguards applied.

Independent Auditor's Report (continued)

To the Members of G.D. AMPLUS PUBLIC COMPANY LTD

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

Report on Other Legal and Regulatory Requirements

Pursuant to the requirements of Article 10(2) of the EU Regulation 537/2014 I provide the following information in my Independent Auditor's Report, which is required in addition to the requirements of International Standards on Auditing.

Provision of Non-audit Services

I declare that no prohibited non-audit services referred to in Article 5 of the EU Regulation 537/2014 and Section 72 of the Auditors Law of 2017 were provided. In addition, there are no non-audit services which were provided by me to the Company and which have not been disclosed in the financial statements or the Management Report.

Other Legal Requirements

Pursuant to the additional requirements of the Auditors Law of 2017, I report the following:

- In my opinion, based on the work undertaken in the course of my audit, the Management Report has been prepared in accordance with the requirements of the Cyprus Companies Law, Cap 113, and the information given is consistent with the financial statements.
- In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, I am required to report if we have identified material misstatements in the Management Report. I have nothing to report in this respect.
- In my opinion, based on the work undertaken in the course of my audit, the information included in the corporate governance statement in accordance with the requirements of subparagraphs (iv) and (v) of paragraph 2(a) of Article 151 of the Cyprus Companies Law, Cap. 113, and which is included as a specific section of the Management Report, has been prepared in accordance with the requirements of the Cyprus Companies Law, Cap, 113, and is consistent with the financial statements.
- In my opinion, based on the work undertaken in the course of my audit, the corporate governance statement includes all information referred to in subparagraphs (i), (ii), (iii), (vi) and (vii) of paragraph 2(a) of Article 151 of the Cyprus Companies Law, Cap. 113.
- In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, I am required to report if I have identified material misstatements in the corporate governance statement in relation to the information disclosed for items (iv) and (v) of subparagraph 2(a) of Article 151 of the Cyprus Companies Law, Cap. 113. I have nothing to report in this respect.

Other Matter

This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Article 10(1) of the EU Regulation 537/2014 and Section 69 of the Auditors Law of 2017 and for no other purpose. I do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whose knowledge this report may come to.

The engagement partner on the audit resulting in this independent auditor's report is Costas Miaoulis FCCA.

Companies, which do not distribute 70% of their profits after tax, as defined by the Special Contribution for the Defence of the Republic Law, within two years after the end of the relevant tax year, will be deemed to have distributed this amount as dividend on the 31 of December of the second year. The amount of the deemed dividend distribution is reduced by any actual dividend already distributed by 31 December of the second year for the year the profits relate. The Company pays special defence contribution on behalf of the shareholders over the amount of the deemed dividend distribution at a rate of 17% (applicable since 2014) when the entitled shareholders are natural persons tax residents of Cyprus and have their domicile in Cyprus. In addition, the Company pays on behalf of the shareholders General Healthcare System (GHS) contribution at a rate of 2,65%, when the entitled shareholders are natural persons tax residents of Cyprus, regardless of their domicile.

G.D. AMPLUS PUBLIC COMPANY LTD

NOTES TO THE FINANCIAL STATEMENTS

31 December 2022

1. Incorporation and principal activities

Country of incorporation

The Company G.D. AMPLUS PUBLIC COMPANY LTD (the "Company") was incorporated in Cyprus on 29 December 2016 as a private limited liability company under the provisions of the Cyprus Companies Law, Cap. 113. Its registered office is at Agion Omologiton 15, 1080 Nicosia, Cyprus.

On 19 January 2018 the Council of the Cyprus Stock Exchange accepted the application of the Company for listing in the Emerging Companies Market of the CSE 26,000 securities of nominal value €1 each, with a listing price of €1 each. The trading of the above securities commenced on Friday, 19 January 2018. The Cyprus Stock Exchange has undertaken to keep the register of the above company in the CSE Central Depository/Registry.

Principal activities

The Company is involved in trading and investing activities in the information technology industry, having as a target the performance of technical infrastructure projects and the computerization of businesses and organizations.

2. Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union (EU) and the requirements of the Cyprus Companies Law, Cap. 113. The financial statements have been prepared under the historical cost convention.

3. Adoption of new or revised standards and interpretations

During the current year the Company adopted all the new and revised International Financial Reporting Standards (IFRS) that are relevant to its operations and are effective for accounting periods beginning on 1 January 2022. This adoption did not have a material effect on the accounting policies of the Company.

4. Significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented in these financial statements unless otherwise stated.

Finance costs

Interest expense and other borrowing costs are charged to profit or loss as incurred.

Dividends

Dividend distribution to the Company's shareholders is recognised in the Company's financial statements in the year in which they are approved by the Company's shareholders.

Financial assets

Cash and cash equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise cash at bank. Cash and cash equivalents are carried at amortised cost because: (i) they are held for collection of contractual cash flows and those cash flows represent SPPI, and (ii) they are not designated at FVTPL.

G.D. AMPLUS PUBLIC COMPANY LTD

NOTES TO THE FINANCIAL STATEMENTS

31 December 2022

4. Significant accounting policies (continued)

Financial assets (continued)

Classification as trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less loss allowance.

Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, in which case they are recognised at fair value. The Company holds the trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method.

Trade receivables are also subject to the impairment requirements of IFRS 9. The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

Trade receivables are written off when there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the Company, and a failure to make contractual payments for a period of greater than 180 days past due.

Financial liabilities - measurement categories

Financial liabilities are initially recognised at fair value and classified as subsequently measured at amortised cost, except for (i) financial liabilities at FVTPL: this classification is applied to derivatives, financial liabilities held for trading (e.g. short positions in securities), contingent consideration recognised by an acquirer in a business combination and other financial liabilities designated as such at initial recognition and (ii) financial guarantee contracts and loan commitments.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Trade payables

Trade payables are initially measured at fair value and are subsequently measured at amortised cost, using the effective interest rate method.

Financial liabilities - Modifications

An exchange between the Company and its original lenders of debt instruments with substantially different terms, as well as substantial modifications of the terms and conditions of existing financial liabilities, are accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received and discounted using the original effective interest rate, is at least 10% different from the discounted present value of the remaining cash flows of the original financial liability. (In addition, other qualitative factors, such as the currency that the instrument is denominated in, changes in the type of interest rate, new conversion features attached to the instrument and change in loan covenants are also considered.)

If an exchange of debt instruments or modification of terms is accounted for as an extinguishment, any costs or fees incurred are recognised as part of the gain or loss on the extinguishment. If the exchange or modification is not accounted for as an extinguishment, any costs or fees incurred adjust the carrying amount of the liability and are amortised over the remaining term of the modified liability.

G.D. AMPLUS PUBLIC COMPANY LTD

NOTES TO THE FINANCIAL STATEMENTS

31 December 2022

4. Significant accounting policies (continued)

Financial assets (continued)

Financial liabilities - Modifications (continued)

Modifications of liabilities that do not result in extinguishment are accounted for as a change in estimate using a cumulative catch up method, with any gain or loss recognised in profit or loss, unless the economic substance of the difference in carrying values is attributed to a capital transaction with owners and is recognised directly to equity.

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds, including interest on borrowings, amortisation of discounts or premium relating to borrowings, amortisation of ancillary costs incurred in connection with the arrangement of borrowings, finance lease charges and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset, being an asset that necessarily takes a substantial period of time to get ready for its intended use or sale, are capitalised as part of the cost of that asset, when it is probable that they will result in future economic benefits to the Company and the costs can be measured reliably.

Share capital

Ordinary shares are classified as equity.

5. New accounting pronouncements

At the date of approval of these financial statements, standards and interpretations were issued by the International Accounting Standards Board which were not yet effective. Some of them were adopted by the European Union and others not yet. The Board of Directors expects that the adoption of these accounting standards in future periods will not have a material effect on the financial statements of the Company.

6. Critical accounting estimates, judgments and assumptions

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

- **Calculation of loss allowance**

When measuring expected credit losses the Company uses reasonable and supportable forward looking information, which is based on assumptions for the future movement of different economic drivers and how these drivers will affect each other.

Loss given default is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements.

Probability of default constitutes a key input in measuring ECL. Probability of default is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.
