It is pointed out that the assessment of the marketability criterion, pursuant to the Ground Rules, was made based on a percentage of 10%. According to the assessment, the following changes in the Composition of the Index are noted:

a) The shares of BLUE ISLAND PLC are removed and the shares of MALLOUPPAS & PAPACOSTAS PUBLIC CO LTD are added with a capping factor of 19%.

B) Change in the capping factor of the following companies:

The Advisory Committee has also decided the composition of the Reserve List, which contains the next five eligible, large cap shares pursuant to the Ground Rules. This list is useful in cases where, for any reason and always pursuant to the Ground Rules, there is a need to replace a share with any other share over the next six-month period, prior to the regular six-month review of the Index. The names of the shares that make up the Reserve List are as follows:
