

**Information on monthly estimated consolidated revenues of October  
2021**

Current report No 27/2021

Date: 2021-11-22

Title: Information on monthly estimated consolidated revenues of October  
2021.

Legal basis: Art. 17 ust.1 MAR - inside information

Message:

The Board of Directors of ASBISc Enterprises Plc following its decision on publication of information about estimated monthly consolidated revenues, as announced in current report no 4/2017, hereby informs that: estimated consolidated revenues for October 2021 amounted to approx. USD 246 million and were approx. 11% higher as compared to revenues for October 2020 (USD 221 million).

The above data is based on the best possible estimation prepared by the Board and may differ slightly from final data.
