

**Information on monthly estimated consolidated revenues of August
2022**

Current report No 38/2022

Date: 2022-09-21

Title: Information on monthly estimated consolidated revenues of August
2022.

Legal basis: Art. 17 ust.1 MAR - inside information

Message:

The Board of Directors of ASBISc Enterprises Plc following its decision on publication of information about estimated monthly consolidated revenues, as announced in current report no 4/2017, hereby informs that: estimated consolidated revenues for August 2022 amounted to approx. USD 207 million and were approx. 15% lower as compared to revenues for August 2021 (USD 243 million).

The above data is based on the best possible estimation prepared by the Board and may differ slightly from final data.
